

AAATS 24-Month Term Acknowledgement and Agreement

Company's Name: _____

AAATS Account #: _____

Early Termination Fee (ETF) Policy:

In the event a service plan that includes a 24-month service term discount or waived fees is cancelled or discontinued during the two-year service period, the Customer shall be liable for, and shall remit to Asian American Association Telecom Services (AAATS), a pro-rated Early Termination Fee ("ETF") as set forth in the table below. This ETF reimburses AAATS for the discounted services and benefits received by the Customer if they fail to complete the full 24-month term of the service plan.

Termination of Service	ETF Fee
<i>Within the first year of the term</i>	\$150.00
<i>After the 12th month of the term</i>	\$90.00
<i>After the 24th month of the term</i>	\$0.00

By signing this Agreement, the Customer acknowledges their understanding and acceptance of the ETF policy as a condition of receiving the discounted services and benefits associated with the 24-month service term.
